

Assembly Instructions

Base Extensions For Jr. Kip Bar

Thank you for purchasing the Base Extensions for your Jr. Kip Bar. These Extension will help further stabilize the Jr. Kip Bar for higher level skills and/or heavier athletes.

If you have any questions during this assembly process, please call customer service at 1-800-331-4362.

NOTE: Tumbl Trak equipment is not recommended for the use in **Parkour/Free Running** related activities.

WARNING

- Serious injury (including permanent paralysis or death) could result from any activity involving motion, rotation or height.
- All users of this equipment assume this risk of serious injury.
- Mats and pits cannot and do not eliminate hazards.

Safety Instructions

ALWAYS:

1. Consult an instructor prior to use.
2. Use equipment **ONLY** under the supervision of trained and qualified instructors.
3. Use equipment with trained spotters and the proper spotting equipment.
4. Check equipment before use for proper positioning; equipment can move during use.
5. Follow a progressive learning pattern. Assure basic skills are achieved before attempting more advanced skills.
6. Use equipment **ONLY** when all hard exposed surfaces are protected with proper mats.
7. Assure that all inflatable equipment has sufficient air pressure to avoid injury.

DO NOT use the apparatus with damaged, worn or missing parts.

DO NOT allow more than one person at a time to use the equipment.
