

Assembly Instructions

Orbiter

Thank you for purchasing the Orbiter. We hope you will enjoy years of use of this product.

After opening the boxes, please check the parts list to make sure all pieces have arrived in good condition. If you have any questions during this assembly process, please call customer service at 1-800-331-4362.

Parts List

(2) Orbiter Rings

WARNING

- Serious injury (including permanent paralysis or death) could result from any activity involving motion, rotation or height.
- All users of this equipment assume this risk of serious injury.
- Mats and pits cannot and do not eliminate hazards.

Safety Instructions

ALWAYS:

1. Consult an instructor prior to use.
2. Use equipment **ONLY** under the supervision of trained and qualified instructors.
3. Use equipment with trained spotters and the proper spotting equipment.
4. Check equipment before use for proper positioning; equipment can move during use.
5. Follow a progressive learning pattern. Assure basic skills are achieved before attempting more advanced skills.
6. Use equipment **ONLY** when all hard exposed surfaces are protected with proper mats.
7. Assure that all inflatable equipment has sufficient air pressure to avoid injury.

DO NOT use the apparatus with damaged, worn or missing parts.

DO NOT allow more than one person at a time to use the equipment.

Parts List:

- (2) Orbiter Rings
- (1) Air Barrel

(1) Air Barrel

NOTE: Tumbl Trak equipment is not recommended for the use in **Parkour/Free Running** related activities.

Assembling the Rings:

Step 1:

Start by opening up the Velcro flaps on one side of the 1/2 ring. Next, set the other 1/2 ring into place and secure the Velcro flaps. Repeat until the rings are tightly together.

Inflate the Air Barrel about 1/2 way.

Step 2:

Step 3:

Insert the partially inflated Air Barrel into the rings; making sure that the rings are about 2-3" inside the outer seam of the Air Barrel.

Step 4:

Inflate the Air Barrel to almost full and adjust the rings. You will want to get the rings parallel to each other to have it roll properly.

NOTE: Tumbl Trak equipment is not recommended for the use in **Parkour/Free Running** related activities.

Top off the Air Barrel and enjoy!

Step 5:

Accessories for the Orbiter

The following accessories can be purchased from Tumbl Trak's website at www.tumbltrak.com or by calling 1-800-331-4362.

Cradles

- Provides stabilization for the Orbiter if you do not need it to roll
-

Booster Blocks

- Provides a raised surface for the smaller athletes and still allows the Orbiter to roll freely
-

Launch Pad

- Placed in front of the Orbiter the Launch Pad works great for dive rolls, round-offs, and front handsprings
-

Jack and Jill Mats

- These mats fold up and can be used with the Orbiter to help the smaller athlete on take off and landings
-
